**WOMAN ARRESTED FOR DRUNKENNESS**

(SPECIAL TO THE TIMES)  
WHITING, Ind., Sept. 14.—Mrs. Anna Stinnach, South Chicago, who was arrested for being drunk and disorderly was arraigned in the City Court on Tuesday and after entering a plea

of guilty, was assessed a fine of \$15.00 and costs. Mrs. Stinnach was visiting friends in Indiana Harbor and as the result of partaking too freely, she was in an unreliable condition. She was in a Ford car with four of her little children on her way home, but the Whiting park was as far as she could get. She caused a great scene as the result of which she was placed

under arrest by officer Hall. She was locked up for the night and the four children were taken to the nursery for keeping.

**BETHLEHEM WAGES ARE CUT AGAIN**

A reduction of approximately 8 per cent in wages of common labor at all plants of the Bethlehem Steel Company was announced last night. The reduction is effective Sept. 15. A corresponding "equitable adjustment" also will be made in other wages and piece and tonnage rates, the announcement said, bringing the wages approximately to the scale in effect May 1, 1917.

**SENATORS DEVELOPING DIFFERENCES**

BY J. BART CAMPBELL  
[STAFF CORRESPONDENT I. N. SERVICE]  
WASHINGTON, Sept. 15.—Growing dissension among republican senators regarding proposed tax legislation, coupled with the failure of Secretary Mellon and Budget Director Dawes to convince the senate finance committee that a saving of \$350,000,000 in government expenditures is possible during the current fiscal year, served to plunge the senate into a long, bitter fight when it reconvenes six days hence.

It is freely predicted President Harding will be compelled to heed the appeals of administration leaders that he summon republican senators to a white house conference in an effort to adjust their serious differences as to the methods that should be employed to "reduce and equalize taxation." Criticism of the house tax bill as "failing to give the poor man's side of the tax question" is pouring in upon senators. After announcing first that they intended to rewrite the measure, Senator Penrose, of Pennsylvania, chairman of the senate finance committee and others of its republican members closely associated with the administration, have virtually failed to back it up. They sought to ally opposition by rejecting several of Secretary Mellon's latest tax suggestions, one to abolish all surtaxes above 25 per cent.

**CRAWFORDSVILLE OBTAINS PRINTING FIRM BRANCH**

CRAWFORDSVILLE, Ind., Sept. 15.—At the semi-annual meeting of the chamber of commerce here, President G. B. Luckett announced the location of a branch factory of the R. H. Donnelly and Sons Publishing Company, of Chicago here. Sixteen acres of land were purchased by the company. Business will be in the plant of the H. D. Shock Absorber Company here. The company expects to start work by Nov. 1 with about 100 people employed. The Donnelly company will run the Crawfordsville branch at full capacity at all times to take care of fluctuations in the business in Chicago, it is said. This city was selected after eighteen months of exhaustive investigation in about fifty other cities in the central states.

**FORD SALES INCREASING**

(INTERNATIONAL NEWS SERVICE)  
DETROIT, Sept. 15.—Retail sales of Ford cars and trucks increased fifty per cent. the week following the latest price reductions, a statement issued by the company today said. Unfilled orders for all types of Ford cars and trucks are rapidly accumulating, as production has not been increased over the regular monthly schedule of one hundred thousand cars, the statement said.

**ARBUCKLE GORGED HIMSELF**

LOS ANGELES, Sept. 15.—"I do not think 'Patty' Arbuckle will appear in motion pictures again, and I believe it right that such be the case. He didn't know when to stop eating and drinking, and like a pig, gorged himself," Frank H. Woods, president of the Screen Writer's Guild, declared here today.
